

MIKHAIL BARYSHNIKOV

To whom it may concern:

It is with pleasure that I lend my support to the Open World Dance foundation.

This unique organization supports preserving the history and traditions of ballet, and in doing so it enriches the lives of young ones by opening doors to professional education for this beautiful art form. Ballet and education are used to remind us that we must pursue our dreams and that through this pursuit we improve our lives and the world around us.

This foundation truly opens the world for all individuals whose lives they touch and it brings people of all ages, nationalities and backgrounds together. Please don't miss an opportunity to be part of this great organization.

Sincerely,

Mikhail Baryshnikov
